Sturdy Beauty for the Dining Room

The experience of years teaches us and you that strength is a prime requisite in dining room furniture. Also does that same experience inspire the desire for grace and beauty in the furnishings of the one room in the house that must serve the family thrice a day, year in and out. Primarily we strove for durability in our dining room examples and secondly for artistic effect. Yet wital it is

Munsing Union Suits

Munsing Union Suits

Not many, if any, in Vermont carry as large a line of Munsing Underwear. We believe in its style and durability. We have carried this line for years. Our sales on this Underwear doubled last season—a pretty good proof that those who have tried it out thoroughly want more. It's the only plaited seam Underwear on the market, and that seam is patented. That's the reason. There is no make of good Underwear any cheaper. See the following price.

Society Conventions in Barre This Last Season Have Helped Us to a Lot of New Business

These conventions help advertise our city, they help morally and socially and, we find, financially. Customers having Burlington and Rutland, our large cities, as a market place, would not send or take business to Barre if they could not be benefited in some one way. To interest that better trade it must be either price or assortment. When a customer asks to see a \$15.00 garment and she is shown 50 or 60 of nearly as many designs they feel a touch of confidence that they are seeing what there is on the market. If they ask to see \$25.00 garments and as many more are shown them then they know that some of them must be right. If out of town people find these conditions isn't it a pretty good place for home people to patronize? This assortment applies to our whole store. Every department is looked after with this same care of having a large assortment of every desirable kind. A place where you can get what you want and when you want it.

Dress Goods

See our window for medium-priced Dress Goods and Plaid Back Cloakings.

Plaid Back Cloakings are very popular. We have a very good assortment.

Ladies' and Children's Sweaters

A new lot of Sweaters by express to-day. This gives us a good assortment of all sizes and qualities.

Our Coat Sweater with pockets at \$2.95 and our Shaker Sweater with pockets and turndown collar at \$5.75 are our best numbers.

Children's Sweaters, 98c and \$1.50; Misses', \$1.50, \$2.50 and \$2.75.

Ladies' House Dresses

While we have been so very busy with our sales of Separate Coats and Tailored Suits. We have almost forgot that we have some very good values in Ladies' Gingham and Percale House Dresses. These are the Good-Service make, which is a guarantee as to quality and fit.

At \$1.25 is a good value in a House Dress, that is made in a very good style, with two pockets. Makes a good morning dress. Is made of a good quality percale.

At \$1.50 is a House Dress that is made of a dark colored percale. Is made in one-piece style and is piped with white, making a very nice medium-priced House Dress.

At \$2.00 is a House Dress that is made of a fine quality plain and striped gingham. Is made in a very good style, buttons down the whole length of the front, making a very easy dress to launder. Makes a fine afternoon House Dress.

We have a full line of Print and Percale Wrappers that are good values, coming in the print, percale, and a good weight fleeced goods. Colors, gray, blue and red. These are also the Good Service make.

Ladies' Separate Skirts

We have just received some good values in Ladies' Separate Skirts. When the demand for Coats is so great as this season, there is always a good sale for the Separate Skirt.

The values just in are made up in a number of the best styles, being a little more full than last fall and of designs that are different.

We have a few odd Skirts that are left of our early fall purchase, that we are closing at a little under price, as there are only two or three of a kind.

At \$3.98 are a number of different styles and cloths; are Skirts that sold at \$5.00. If your size is here, they will make an extra good common Skirt.

We have another lot of those all-wool Black Panama Skirts, made in a style that we are selling at the same price, only \$3.98.

We have a very good Serge Skirt that is made in one of the new models, with the high waistband; are extra good values at \$5.50 and \$5.75.

At \$7.50 and \$7.75 are a number of new models, made of chiffon panama and a fine serge. These are extra models in black and colors.

We have just received a large invoice of Longerie Waists in the new winter models that are entirely different. You will find them extra good values.

A. E. Campbell says he was misquoted in yesterday's paper as to his objections to the new granite block pavement on North Main street, as stated at the hearing yesterday. He said nothing about sand flying from the pavement into the houses on the street, but did assert that the cement covering to the pavement got into the houses and the tracks couldn't be cleaned satisfactorily. Moreover, he thought the granite pavement wasn't as good, most taken into consideration, as macadam, the macadam being much less expensive than the pavement laid.

All of the acts on the vaudeville program at the Pavilion will close their engagement to-night. The Don Ramsey harmonists are scoring a hit at every performance. Their work shows each member to be an artist of marked ability. Their singing is excellent and the comedy is of the kind that gets a hearty laugh. The act they present is built on lines to please everyone and includes in its singing numbers solos and harmony selections. The comedy is in the hands of a roly comedian, who never fails to get a lot of laughs. His cork leg dance is a feature of the act. A special program of pictures, consisting of three reels of photoplays, will be run to-day. The programs at the Pavilion usually consist of two reels of pictures, but by special arrangement the Vitaphone production entitled, "The Wages of War," has been secured for to-day. In this picture the leading parts are played by Miss Edith Story and Maurice Costello, two of the Vitaphone company's star players.
